

DIY Organizing with Support Package

- One hour in person or virtual (skype) site visit and assessment. *\$75 value
- In this session we will determine your organizing and storage needs room by room and set priorities and target dates (if needed).
- Written ,master plan assessment with room by room organizing tasks to get your whole house organized. Estimated time needed for each areas well as specific tasks will be included (see example below). *\$225 value

Laundry	Remove and sort all contents, reorganize and re-install according to needs, safety and categories. Assess, measure and consider closet remodel needs.	2 - 3
Linen closet	Sort and purge all linens in house (kids beds, guest and master, towels etc). Try to pare down to 2 sets per bed, about 8-10 towels,& 1 blanket per bed.	See above
2nd Floor Hallway	Re-locate & re-arrange furniture (consider painting hutch for storage). Research additional hanging storage options (closet etc). Style the window niche.	2 - 3
Elevator	Determine storage needs (categories- sport, vaccum, other cleaning supplies, coat rack etc). Research and implement storage systems such as hooks, racks and rolling carts to make use multi functional.	2 - 3
Maintenance-Ongoing As needed	Evaluate what's been changed, what's working and not and make adjustments as needed.	<1
